DD/A REGISTRY  
FILE: 70-4

Dear Mr. Fitzwater:

Following President Reagan's March 11 signing of National Security Decision Directive 84, "Safeguarding National Security Information," I directed the Information Security Oversight Office (ISOO) Interagency Working Group on Standardization of Information Security Forms to turn its attention to the drafting of the standards forms that the Directive requires for implementation. The Central Intelligence Agency representative on the Working Group is [redacted] The Chairperson of the Working Group has now referred to me three draft forms, each of which is modeled after similar forms that are currently operational in one or more agencies. I enclose a copy of each of these. I also enclose a copy of a spread sheet that raises certain questions that need to be discussed about the specific language of the drafts.

STAT

In order to press ahead on the development and issuance of these forms as quickly as possible, I will chair an interagency meeting on Monday, April 4, 1983, at 10 a.m., in Room 6046 of the GSA Building, located at Nineteenth and F Streets, NW. I request that you send both a program and legal representative to that meeting. It is my intent to reach decisions about final drafts of the forms at that meeting, so that I may then transmit them formally to the Department of Justice for its determination on enforceability.

Please call me at 535-7251 if you have any questions.

Sincerely,

*for Robert W. Wells*

NONDISCLOSURE AGREEMENT

An Agreement Between \_\_\_\_\_ and the United States  
(Name-Printed or Typed)

1        1. Intending to be legally bound, I hereby accept the obligations  
2 contained in this Agreement in consideration of my being granted access  
3 to information and material which is classified or classifiable under  
4 the standards of Executive Order 12356 or other Executive Order or  
5 statute, and which is hereinafter referred to in this Agreement as  
6 national security information. I understand and accept that by being  
7 granted access to national security information special confidence and  
8 trust shall be placed in me by the United States Government.

1        2. I hereby acknowledge that I have received a security indoctrination  
2 concerning the nature and protection of national security information,  
3 including the procedures to be followed in ascertaining whether other  
4 persons to whom I contemplate disclosing this information have been  
5 approved for access to it, and I understand these procedures.

1        3. I have been advised that direct or indirect unauthorized disclosure,  
2 unauthorized retention, or negligent handling of national security  
3 information by me could cause irreparable injury to the United States or  
4 be used to advantage by a foreign nation. I hereby agree that I will  
5 never divulge such information to anyone who is not authorized to  
6 receive it without prior written authorization from the United States  
7 Government department or agency (hereinafter Department or Agency) that  
8 last authorized my access to national security information. I further  
9 understand that I am obligated by law and regulation not to disclose any  
10 classified information in an unauthorized fashion.

1        4. In consideration of being granted access to national security  
2 information and of being assigned or retained in a position of special  
3 confidence and trust requiring access to national security information,  
4 I hereby agree that I will not disclose such information or materials to  
5 any person not authorized to have access to national security information  
6 until I have received written authorization from the Department or  
7 Agency that last authorized my access to national security information  
8 that such disclosure is permitted.

1        5. I have been advised that any breach of this Agreement may result  
2 in the termination of my access to national security information and  
3 retention in a position of special confidence and trust requiring such  
4 access, as well as the termination of my employment or other relationships  
5 with any Department or Agency that provides me with access to national  
6 security information. In addition, I have been advised that any unauthorized  
7 disclosure of national security information by me may constitute violations  
8 of United States criminal laws, including the provisions of Sections 793,  
9 794, 798, and 952, Title 18, United States Code, and Section 783(b),  
10 Title 50, United States Code and the provisions of the Intelligence  
11 Identities Protection Act of 1983. Nothing in this Agreement constitutes  
12 a waiver by the United States of the right to prosecute me for any  
13 statutory violation.

1 6. I understand that the United States Government may seek any  
2 remedy available to it to enforce this Agreement including, but not  
3 limited to, application for a court order prohibiting disclosure of  
4 information in breach of this Agreement. I have been advised that the  
5 action can be brought against me in any of the several appropriate  
6 United States District Courts where the United States Government may  
7 elect to file the action. Court costs and reasonable attorneys fees  
8 incurred by the United States Government may be assessed against me if I  
9 lose such action.

1 7. I understand that all information to which I may obtain access  
2 by signing this Agreement is now and will forever remain the property of  
3 the United States Government. I do not now, nor will I ever, possess  
4 any right, interest, title, or claim whatsoever to such information. I  
5 agree that I shall return all materials, which may have come into my  
6 possession or for which I am responsible because of such access, upon  
7 demand by an authorized representative of the United States Government  
8 or upon the conclusion of my employment or other relationship with the  
9 United States Government entity providing me access to such materials.  
10 If I do not return such materials upon request, I understand this may be  
11 a violation of Section 793, Title 18, United States Code, a United  
12 States criminal law.

1 8. Unless and until I am released in writing by an authorized  
2 representative of the Department or Agency that last provided me with  
3 access to national security information, I understand that all the  
4 conditions and obligations imposed upon me by this Agreement apply  
5 during the time I am granted access to national security information,  
6 and at all times thereafter.

1 9. Each provision of this Agreement is severable. If a court  
2 should find any provision of this Agreement to be unenforceable, all  
3 other provisions of this Agreement shall remain in full force and  
4 effect. This Agreement concerns national security information and does  
5 not set forth such other conditions and obligations not related to  
6 national security information as may now or hereafter pertain to my  
7 employment by or assignment or relationship with the Department or  
8 Agency.

1 10. I have read this Agreement carefully and my questions, if any,  
2 have been answered to my satisfaction. I acknowledge that the briefing  
3 officer has made available Sections 793, 794, 798, and 952 of Title 18,  
4 United States Code, and Section 783(b) of Title 50, United States Code,  
5 and the Intelligence Identities Protection Act of 1982, and Executive  
6 Order 12356, so that I may read them at this time, if I so choose.

1 11. I hereby assign to the United States Government all rights,  
2 title and interest, and all royalties, remunerations, and emoluments  
3 that have resulted, will result or may result from any disclosure,  
4 publication, or revelation not consistent with the terms of this Agreement.

1 12. I make this Agreement without any mental reservation or purpose

<p>1 2. Why is the word "irreparable" in line 3 used?</p> <p>2. Why is the word "injury" in line 3 used instead of harm or damage?</p> <p>3. Why is the phrase "or be used to advantage by a foreign nation" in line 4 used?</p> <p>4. Why isn't "need to know" addressed in the second sentence of this paragraph?</p>

4. In consideration of being granted access to national security information and of being assigned to a position of special confidence and trust requiring access to national security information, I hereby agree that I will not disclose such information or materials to any person not authorized to have access to national security information until I have received written authorization from the Department or Agency that last authorized my access to national security information that such disclosure is permitted.

Paragraph 4.

1. Isn't the language (lines 4-7) in this paragraph redundant with that of paragraph 3 (lines 4-8)? Aren't both paragraphs serving the same purpose?

2. Shouldn't "need to know" be addressed in this paragraph also?

5. I have been advised that any breach of this Agreement may result in the termination of my access to national security information and retention in a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to national security information. In addition, I have been advised that any unauthorized disclosure or national security information by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and Section 783(b), Title 50, United States Code and the provisions of the Intelligence Identities Protection Act of 1983. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

Paragraph 5.

1. What is meant by "other relationships with any Department or agency?" (Lines 4 and 5)

2. Couldn't the words "provides me access" be misinterpreted as meaning physical access as opposed to authorized access?

6. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.

7. I understand that all information to which I may obtain access by signing this Agreement is now and will forever remain the property of the United States Government. I agree that I shall return all materials, which may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code, a United States criminal law.

Paragraph 7.

1. Why is the word "entity" in line 9 used rather than agency or department?

2. Isn't it clearer to use in lines 5 and 10 the phrase "all materials containing such information" rather than the words "all materials" and "such materials" respectively?

8. Unless and until I am re Approved For Release 2008/09/04 : CIA-RDP85B01152R000801050033-0 : representative of the Department or Agency that last provided me with access to national security information, I understand that all the conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to national security information, and at all times thereafter.

1. Shouldn't the phrase "that approved my access to national security information" be used rather than "last provided me access to NSI?"

9. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns national security information and does not set forth such other conditions and obligations not related to national security information as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

10. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. ## SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement Between \_\_\_\_\_ and the United States  
(Name - Printed or Typed)

1 1. Intending to be legally bound, I hereby accept the obligations  
2 contained in this Agreement in consideration of my being granted access  
3 to information protected within Special Access Programs, hereinafter  
4 referred to in this Agreement as Sensitive Compartmented Information  
5 (SCI). I have been advised that SCI involves or derives from intelligence  
6 sources or methods and is classified or classifiable under the standards  
7 of Executive Order 12356 or other Executive order or statute. I understand  
8 and accept that by being granted access to SCI, special confidence and  
9 trust shall be placed in me by the United States Government.

1 2. I hereby acknowledge that I have received a security indoctrination  
2 concerning the nature and protection of SCI, including the procedures to  
3 be followed in ascertaining whether other persons to whom I contemplate  
4 disclosing this information have been approved for access to it, and I  
5 understand these procedures. I understand that I may be required to  
6 sign subsequent agreements upon being granted access to different  
7 categories of SCI. I further understand that all my obligations under  
8 this Agreement continue to exist whether or not I am required to sign  
9 such subsequent agreements.

1 3. I have been advised that direct or indirect unauthorized disclosure,  
2 unauthorized retention, or negligent handling of SCI by me could cause  
3 irreparable injury to the United States or be used to advantage by a  
4 foreign nation. I hereby agree that I will never divulge such information  
5 to anyone who is not authorized to receive it without prior written  
6 authorization from the United States Government department or agency  
7 (hereinafter Department or Agency) that last authorized my access to  
8 SCI. I further understand that I am obligated by law and regulation not  
9 to disclose any classified information in an unauthorized fashion.

1 4. In consideration of being granted access to SCI and of being  
2 assigned or retained in a position of special confidence and trust  
3 requiring access to SCI, I hereby agree to submit for security review by  
4 the Department or Agency that last authorized my access to such information,  
5 all information or materials, including works of fiction, which contain  
6 or purport to contain any SCI or description of activities that produce  
7 or relate to SCI or that I have reason to believe are derived from SCI,  
8 that I contemplate disclosing to any person not authorized to have  
9 access to SCI or that I have prepared for public disclosure. I understand  
10 and agree that my obligation to submit such information and materials  
11 for review applies during the course of my access to SCI and thereafter,  
12 and I agree to make any required submissions prior to discussing the  
13 information or materials with, or showing them to, anyone who is not  
14 authorized to have access to SCI. I further agree that I will not  
15 disclose such information or materials to any person not authorized to  
16 have access to SCI until I have received written authorization from

17 the Department or Agency that last authorized my access to SCI that such  
18 disclosure is permitted.

1 5. I understand that the purpose of the review described in paragraph 4  
2 is to give the United States a reasonable opportunity to determine  
3 whether the information or materials submitted pursuant to paragraph 4  
4 set forth any SCI. I further understand that the Department or Agency  
5 to which I have submitted materials will act upon them, coordinating  
6 with the Intelligence Community when appropriate, and make a response to  
7 me within a reasonable time, not to exceed 30 working days from date of  
8 receipt.

1 6. I have been advised that any breach of this Agreement may result  
2 in the termination of my access to SCI and retention in a position of  
3 special confidence and trust requiring such access, as well as the  
4 termination of my employment or other relationships with any Department  
5 or Agency that provides me with access to SCI. In addition, I have been  
6 advised that any unauthorized disclosure of SCI by me may constitute  
7 violations of United States criminal laws, including the provisions of  
8 Sections 793, 794, 798, and 952, Title 18, United States Code, and of  
9 Section 783(b), Title 50, United States Code and the provisions of the  
10 Intelligence Identities Protection Act of 1982. Nothing in this Agreement  
11 constitutes a waiver by the United States of the right to prosecute me  
12 for any statutory violation.

1 7. I understand that the United States Government may seek any  
2 remedy available to it to enforce this Agreement including, but not  
3 limited to, application for a court order prohibiting disclosure of  
4 information in breach of this Agreement. I have been advised that the  
5 action can be brought against me in any of the several appropriate  
6 United States District Courts where the United States Government may  
7 elect to file the action. Court costs and reasonable attorneys fees  
8 incurred by the United States Government may be assessed against me if I  
9 lose such action.

1 8. I understand that all information to which I may obtain access  
2 by signing this Agreement is now and will forever remain the property of  
3 the United States Government. I do not now, nor will I ever, possess  
4 any right, interest, title, or claim whatsoever to such information. I  
5 agree that I shall return all materials, which may have come into my  
6 possession or for which I am responsible because of such access, upon  
7 demand by an authorized representative of the United States Government  
8 or upon the conclusion of my employment or other relationship with the  
9 United States Government entity providing me access to such materials.  
10 If I do not return such materials upon request, I understand this may be  
11 a violation of Section 793, Title 18, United States Code, a United  
12 States criminal law.

1 9. Unless and until I am released in writing by an authorized  
2 representative of the Department or Agency that last provided me with  
3 access to SCI, I understand that all conditions and obligations imposed

4 upon me by this Agreement apply during the time I am granted access to  
5 SCI, and at all times thereafter.

1 10. Each provision of this Agreement is severable. If a court  
2 should find any provision of this Agreement to be unenforceable, all  
3 other provisions of this Agreement shall remain in full force and  
4 effect. This Agreement concerns SCI and does not set forth such other  
5 conditions and obligations not related to SCI as may now or hereafter  
6 pertain to my employment by or assignment or relationship with the  
7 Department or Agency.

1 11. I have read this Agreement carefully and my questions, if any,  
2 have been answered to my satisfaction. I acknowledge that the briefing  
3 officer has made available Sections 793, 794, 798, and 952 of Title 18,

5 and the Intelligence Identities Protection Act of 1982, and Executive  
6 Order 12356, as amended, so that I may read them at this time, if I so  
7 choose.

1 12. I hereby assign to the United States Government all rights,  
2 title and interest, and all royalties, remunerations, and emoluments  
3 that have resulted, will result, or may result from any disclosure,  
4 publication, or revelation not consistent with the terms of this Agreement.

1 13. I make this Agreement without any mental reservation or purpose

Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or classifiable under the standards of Executive Order 12356 or other Executive order or statute. 2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information have been approved for access to it, and I understand these procedures. I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. I have been advised that direct or indirect unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. 1. Why is the word "irreparable" in line 3 used?

2. Why is the word "injury" in line 3 used instead of harm or damage?

3. Why is the phrase "or be used to advantage by a foreign nation" in line 3 used?

4. Why isn't "need to know" addressed in the second sentence of this paragraph?

Paragraph 4.

1. Shouldn't "need to know" be addressed in this paragraph also?

I understand and agree that my obligation to submit such information and materials for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the information or materials with, or showing them to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose such information or materials to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

Paragraph 5.

2. Why is a response time of 30 working days mandated when the CIA prepublication review regulation is more flexible in this area?

5. I further understand that the Department or Agency to which I have submitted materials will act upon them, coordinating with the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

Paragraph 6.

1. Couldn't the words "provides me access" be misinterpreted to mean physical access as opposed to authorized access?

2. What is meant by "other relationships with any Department or agency" in line 4?

6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and retention in a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code and the provisions of the Intelligence Identities Protection Act of 1982. 6 United States District Courts where the United States Government may  
7 elect to file the action. Court costs and reasonable attorneys fees  
8 incurred by the United States Government may be assessed against me if I  
9 lose such action.

1 8. I understand that all information to which I may obtain access  
2 by signing this Agreement is now and will forever remain the property of  
3 the United States Government. I do not now, nor will I ever, possess  
4 right, interest, title, or claim whatsoever to such information. I  
5 agree that I shall return all materials, which may have come into my  
6 possession or for which I am responsible because of such access, upon  
7 demand by an authorized representative of the United States Government  
8 or upon the conclusion of my employment or other relationship with the  
9 United States Government entity providing me access to such materials.  
0 If I do not return such materials upon request, I understand this may be  
1 a violation of Section 793, Title 18, United States Code, a United  
2 States criminal law.

Paragraph 8.

1. Isn't it clearer to use in  
lines 5 and 10 the phrase "all materials  
containing such information" rather  
than the words "all materials" and  
"such materials" respectively?

2. Why is the word "entity" in  
line 9 used rather than agency or

3 access to SCI, I understand that all conditions and obligations imposed  
4 upon me by this Agreement apply during the time I am granted access to  
5 SCI and at all times thereafter.

Paragraph 9.

1. Shouldn't the phrase "that  
approved my access to SCI" be used  
rather than "last provided me with  
access to SCI?"

1 10. Each provision of this Agreement is severable. If a court  
2 should find any provision of this Agreement to be unenforceable, all  
3 other provisions of this Agreement shall remain in full force and  
4 effect. This Agreement concerns SCI and does not set forth such other  
5 conditions and obligations not related to SCI as may now or hereafter  
6 pertain to my employment by or assignment or relationship with the
